

AIR CADET LEAGUE OF CANADA

LIGUE DES CADETS DE L'AIR DU CANADA

September 14, 2023

Dear Parents/Guardians of Air Cadets,

We Need Your Help!

I am writing to let you know how you can help your cadet's Air Cadet Squadron.

The Squadron Sponsoring Committee (SSC), which is part of the Air Cadet League, needs both financial and volunteer support to make your cadet's experience the best it can be. While the Canadian Armed Forces (CAF) pays for most of the program, some key elements do need to be funded by your SSC.

The Air Cadet League is the non-profit organization that has partnered with the CAF at the national, provincial, and local levels since the inception of the Air Cadet Program over 80 years ago. Your SSC is just part of a network of thousands of League volunteers who work hard to raise money to help Squadron Officers and Cadets with such critical things as additional programs, equipment, facilities, and transportation. In fact, the fleet of 79 Gliders and 33 Tow aircraft are owned by the Air Cadet League - I'm sure you will agree that the opportunities to fly and learn about flying and aviation are a huge component of the Air Cadet experience. And, every year, the League is proud to provide over \$100,000 in scholarships for cadets with the help of our many private and corporate benefactors.

We are delighted that your child is taking advantage of this wonderful program! I cannot thank you enough in advance for your consideration of becoming a volunteer and/or providing financial support for your SSC. Your assistance is neither mandatory nor a condition for your cadet's participation in the Air Cadet Program but will allow us to continue to help the CAF deliver one of the best youth programs in the world.

Sincerely,

Thomas Taborowski
President
